

As of Nov. 24, only two California or Arizona teams had bowled in tournaments to the east, and no teams from the east or Midwest had bowled in a tournament in the west. So, lacking sufficient data with which to compare these western teams with those to the east, they are ranked separately. After the December Tier 1 tournaments in Las Vegas, we will be able to combine these.

2024-2025 POWER PERCENTAGE RANKINGS

November 24th Rankings

Minimum 4 Tournaments Required for Ranking

Men's Division – California & Arizona Colleges
